Dear Marilyn,

I am writing on behalf of the members of the Business and Professional Women's (BPW) Club of Port Moresby to thank you and the members of BPW Australia for the recent donation of \$1555.

As you know, BPW of Port Moresby's main activity is to provide scholarships to assist women and girls to complete their education. In 2010 we provided 229 scholarships. We did this through fundraising activities and donations from private organisations, corporate bodies and donors.

In 2011 we have set a target of 300 scholarships and we are already showing signs of achieving that goal. I have attached the Scholarships Committee report tabled at the AGM earlier this month. It shows the dramatic increase in scholarship numbers in the past few years. We exceeded our target of 100 in 2009 and 200 in 2010 so we expect to again exceed our goal this year!

Please pass on to the members of BPW Australia our thanks for this donation – it will be enough for three or four scholarships for women or girls.

Yours sincerely

Vivien Carroll
Secretary
