Let the Journey Begin!

3 night 4 days Ngorongoro Crater & Serengeti Park

21/08/22 Day 1: Arusha – Ngorongoro Crater (4hours drive) (4 hours game drive)

At 6:00am you will be picked up at your hotel by your safari guide and driver. From there you will be driven through to Ngorongoro crater for game drive replete with packed lunch.

You'll spot some wildlife on the way, but the real action is at the bottom of this vast crater! The high rim provides a safe haven for wildlife, so you can expect a more relaxed atmosphere here and a dense population of migratory animals. The day comes to an end with dinner and a night in your choice of accommodation.

At 2pm you will ascend the crater rim and drive to your lodge for the night.

Ngorongoro Oldeani Lodge or Ngorongoro Farm house lodge FB (B,L,D)

22/08/22 Day 2: Ngorongoro – Serengeti National Park (3.5 hours' drive)

Serengeti

Today you'll get your first taste of the iconic Serengeti National Park, which is famously home to the "Big Five" (lion, elephant, leopard, rhino and buffalo). Aside from an abundance of wildlife throughout the year, it also provides the setting for the annual Great Wildebeest Migration, which sees more than a million wildebeest traverse 3,000 kilometres across East Africa. Depending on when you visit, you may get to see these immense herds (followed by opportunistic predators) as they make the long journey from the Serengeti to the Maasai Mara in search of fresh grazing pastures. In the late afternoon, you will return to **Serengeti Melia Lodge or Serengeti Serena** where you will have time to relax and freshen up before dinner is served.

23/08/22 Day 3: Serengeti National Park

Get ready for another exciting day in the Serengeti, getting up close to not only wildebeest, gazelles and zebras but also lions and (hopefully) leopards. Giraffes, hyenas and ostriches also call its vast savannah "home", as do lesser-known species such as spitting cobras, black mambas and pythons. After an unforgettable day in the bush, you will return to the **Serengeti Melia Lodge or Serengeti Serena** to rest and relax while recounting your adventures.
